

CSI Compressco LP Announces Date For 2015 Investor And Analyst Day

PR Newswire
MIDLAND, Texas

MIDLAND, Texas, Nov. 11, 2015 /PRNewswire/ -- CSI Compressco LP (CSI Compressco or the Partnership) (NASDAQ: CCLP) announced today announced that it will co-host, with TETRA Technologies, Inc. (TETRA), a conference for investors and analysts at TETRA's headquarters in The Woodlands, TX on Thursday, November 12, 2015 from 8:30 a.m. to 1:30 p.m. CT. TETRA's Senior Vice President and CFO, who is also CFO of the Partnership, and other senior executives of TETRA and the Partnership will discuss the Partnership's operations, business strategy, and outlook.

Conference Webcast

A live audio webcast of the conference will begin at 8:30 a.m. CT and conclude at approximately 2:00 p.m. CT. To join the live webcast with audio, go to the investor relations section of the Partnership's web site at www.csicompressco.com to register. Slides from the conference will be available on the Partnership's website prior to the commencement of the conference.

CSI Compressco is a provider of compression services and equipment for natural gas and oil production, gathering, transportation, processing, and storage. CSI Compressco's compression and related services business includes a fleet of over 6,500 compressor packages providing in excess of 1.1 million in aggregate horsepower, utilizing a full spectrum of low-, medium-, and high-horsepower engines. CSI Compressco also provides well monitoring and automated sand separation services in conjunction with compression services in Mexico. CSI Compressco's equipment and parts sales business includes the fabrication and sale of standard compressor packages, custom-designed compressor packages, and oilfield fluid pump systems designed and fabricated primarily at our facilities in Midland, Texas and Oklahoma City, Oklahoma, as well as the sale of compressor package parts and components manufactured by third-party suppliers. CSI Compressco's aftermarket services business provides compressor package reconfiguration and maintenance services. CSI Compressco's customers comprise a broad base of natural gas and oil exploration and production, mid-stream, transmission, and storage companies operating throughout many of the onshore producing regions of the United States as well as in a number of foreign countries, including Mexico, Canada, and Argentina. CSI Compressco is managed by CSI Compressco GP Inc., which is an indirect, wholly owned subsidiary of TETRA Technologies, Inc. (NYSE: TTI).
